

# BACHELOR OF MUSIC

## OVERVIEW

The Bachelor of Music provides student-centered, high-quality, rigorous instruction to build a complete musician in the areas of performance, musicianship, history and theory, and education. The degree offers flexibility with elective courses to pursue innovative music careers of the future. Students serve as ambassadors of music in the community and graduates are prepared for graduate study in Music and the pursuit of music careers or careers in music related fields.

## Program Level Student Learning Outcomes

The student will be able to:

- Exhibit growth in solo performance skills, culminating in the ability to plan and perform a full senior recital.
- Demonstrate skilled musicianship and teamwork as part of a performing ensemble.
- Posses a thorough working knowledge of music history and theory.
- Assist others in acquiring knowledge and skills in music.
- Be proficient in current technology in music software and applications.
- Be ambassadors of music in the community and build contacts outside of the University prior to graduation.

## Bachelor of Music - Instrumental Concentration Program Requirements

Refer to the General Education Core Requirements (<https://catalog.tamuct.edu/undergraduate-information/general-education-core-requirements/>) page for more information on the CORE REQ coursework. The Field of Study (FOS) courses are listed in the footnotes (if applicable). At least 120 credit hours are required for the degree.
