

BACHELOR OF SOCIAL WORK

Overview

Social Work is a professional degree program in which courses are sequenced and built upon the successful completion of prerequisites. Eligibility to take some courses is based on formal admission to the Social Work major, which requires meeting requirements over and above those required for admission to the University.

Negotiating the Social Work program requirements for an on-time graduation is a complex process that is best done with the help of an academic advisor. Please contact the Social Work Department for an appointment with one of our advisors as soon as you enter the University to map out a plan of study.

The Social Work Program is accredited by the Council on Social Work Education.

No person shall be discriminated against for reasons of race, color, sex, religion, national origin, age, (dis)ability, citizenship, veteran status, gender identity/expression, or sexual orientation. The B.S.W. Program is committed to having a diverse student population.

Acceptance to the Major

Once the application criteria are met, to be accepted into the B.S.W. Program, students must:

- Complete the three Foundation Level sequence courses;
- Have a 2.5 overall GPA;
- Have a "C" or better in all social work courses;
- Attend the New Social Work Student Orientation (held the first Friday of every semester), at which time they will receive and review the Bachelor of Social Work Program Student Handbook and appropriate forms for completion;

Program field manual for more information on field admission procedures).

Once students demonstrate eligibility to apply to the major, they compile all components for submission as outlined in the application procedures. Students have the ability to work with the program's administrative assistant to ensure all documents are submitted appropriately. All department faculty members review the application for eligibility.

Once each faculty member reviews the application, they have the option of providing one of these recommendations:

- Admit Unconditionally
- Interview Needed
- Deny Admission.

The category of Admit Unconditionally provides a student with immediate admission to the program without conditions, as all criteria have been met. The Interview Needed designation is indicated when students have had a previous criminal background, mental health hospitalization, substance abuse treatment, a concern based on the program's Code of Conduct, any scores below 3 (average) on the Rubric for Assessing Professional Behaviors, or concerns have been identified regarding the information provided in the student's narrative essay in the application.

The faculty conduct interviews with the student in order to make a determination regarding program admission. Students denied admission may reapply for admission once the criteria are met.

NOTE: The applicant is considered on the basis of academic performance and commitment to and suitability for generalist social work practice. Emotional and professional readiness are prerequisites. These include demonstrated emotional maturity and self-awareness in areas such as the ability to effectively manage current life stressors, the ability to reflect on personal strengths and areas for growth/development, and willingness to receive feedback and supervision in a positive manner throughout enrollment in the program.

Students must also demonstrate the following professional behaviors, including but not limited to:

- Fitting well within the social work profession and the generalist framework for undergraduate social work education;
